Palatial Liner Saying Au Revoir  
to Honolulu at 4 o'clock  
Until Next Winter

Steaming out of the harbor, not to  
be seen in this port again until next  
November or December, when she will  
resume the San Francisco-San Pedro  
Hilo-Honolulu service, the Hill liner  
Great Northern, speediest and most  
luxurious liner ever running between  
the coast and Hawaii, is leaving  
at 4 this afternoon from Pier 6.

At noon today 566 passengers had  
bought and paid for tickets on the  
palatial speed queen of the Pacific.  
There were at that hour 355 first cabin  
passengers booked, 87 second cabin  
and 124 steerage. A few first cabin  
staterooms were released this morn-  
ing, but everything is chock-a-block  
in the second cabin and steerage.

Freight out will be capacity, includ-  
ing 60,000 cases of canned pineapples,  
3700 bunches of bananas, 10 or 11 automo-  
biles and considerable miscellaneous  
freight, the total weighing more than  
2000 tons. Fred L. Waldron, president  
of Fred L. Waldron, Ltd., the local  
agents, is sailing on the liner's "au  
revoir" voyage. The liner's officers,  
from Capt. A. Ahman down, put in a  
busy day today saying good-bye to  
their many friends in Honolulu.

**JUDGE WOULD****PUT STOP TO****'RACE WARS'**

In order to put a stop to small  
"race wars" in the Kakaako district,  
Judge Monsarrat fined Cadido Gato,  
a Filipino, \$25 and costs this morning  
after finding him guilty of the charge  
of assaulting William Kelle, a Ha-  
waiian boy, who was escorting a girl  
friend home from the moving picture  
show.

Before the evening ended, Kelle had  
gathered a group of his friends and  
Gato had as many Filipinos. The two  
gangs followed one another about for  
some time. Finally Gato hit Kelle in  
the cheek with a hand covered with a  
handkerchief.

The evidence indicated that a sharp  
weapon might have been concealed by  
the handkerchief in the hand of Gato,  
until Dr. Richard G. Ayer, the emer-  
gency surgeon, was called, who testi-  
fied that after a careful investigation  
he believed the wound in the boy's  
cheek was made by the forceful im-  
pact of his own tooth when struck  
by the Filipino.

**VAUGHAN MACCAUGHEY****TO TALK ON MOUNTAINS****OF OAHU AT Y. M. C. A.**

"Mountains of Oahu" will be the  
subject of an illustrated lecture by  
Prof. Vaughan MacCaughey of the Col-  
lege of Hawaii at the Y. M. C. A. on  
Thursday evening. Showing slides  
made from his own photographs which  
were taken on his trips over the  
trails of Oahu, Professor MacCaughey  
will discuss the natural history of the  
mountains.

The lecture will be given in Cooke  
hall at 8 o'clock, and is open to mem-  
bers of the association and their men  
friends. Men visitors in the city are  
cordially invited to attend the lecture.

**SLIDES OF HAWAII WILL****BE SENT TO MAINLAND**

Dr. W. H. Fry will have the honor  
of exhibiting the first set of the trav-  
eling slides of Hawaii on his tour of  
the mainland. Doctor Fry will leave  
on the Great Northern this afternoon  
for a tour of the Methodist confer-  
ences scheduled for this summer on  
the mainland. With Doctor Fry will  
go Mrs. Fry and the children, and in-  
asmuch as the children are excellent  
musicians, it is expected that the fam-  
ily will be fully able to represent Ha-  
waii. Doctor Fry will give a number  
of talks in different cities on the main-  
land.

H. F. Wichman, who is now at the  
Copley Plaza in Boston, has written  
to the Promotion Committee for  
slides, and will receive set number  
two, which goes out today. He will  
use them in two addresses and will  
then turn them over to the Beekman  
Tours Company, which will make a  
feature of lectures on Hawaii.

**NUUANU REPORTS****ARE COMPLETED,****BOARD LEARNS**

Governor Pinkham has his report  
on No. 4 Reservoir and Hillebrand  
Glen, dealing with the sanitary con-  
ditions and leakage of the reservoir  
and the amount and cost of water to  
be obtained from the Glen all ready  
to submit to the Oahu loan fund com-  
mission, but it has not been typed yet.  
The commissioners learned at their  
meeting this morning, Charles R.  
Forbes, chairman, promised to call a  
meeting as soon as the report was re-  
ceived from the governor.

Extension of the water mains on Ka-  
wahao and Lanikai streets was ac-  
cepted by the commission and the con-  
tract price ordered paid.

Numerous other small bills were  
passed and routine business transac-  
ted at the meeting, which was held at  
11 o'clock in the harbor board rooms  
in the capitol.

**OILS SOOTHE****SKIN DISEASE**

Oil of wintergreen, thymol, glycer-  
ine and other healing ingredients  
compounded in proper proportion into  
the I. D. D. Prescription has now be-  
come the universal favorite of skin  
sufferers in relieving and curing skin  
disease. It is a mild wash that pen-  
etrates the pores and gives instant re-  
lief from all burning and itching. It  
kills and washes off the gnawing dis-  
ease germs, leaving the skin free to  
quickly heal.

We are so confident of the gratify-  
ing effect of D. D. D. that we will offer  
you the first full size bottle on the guar-  
antee that it will relieve your suffer-  
ing or your money refunded. D. D. D.  
Soap keeps your skin healthy. Ask  
about it.

**Benson, Smith & Co., druggists.—****Adv.****WOMAN'S SUFFRAGE WILL****BE TOPIC OF DISCUSSION****AT BIBLE CLASS MEETING**

"Women's Place in Society" will be  
the topic discussed by A. A. Eberole  
at the Y. M. C. A. men's Bible class  
this evening. The attitude of Jesus  
Christ on woman suffrage will be one  
of the points that will be taken up in  
the discussion.

Much of the work of Christ as re-  
corded in the New Testament was de-  
voted to giving woman her proper  
place in society. He even takes up  
the question of fallen women and  
places the blame where it belongs—  
on the man. Jesus Christ was the  
first champion of equal rights and pri-  
vileges for women as will be shown  
by Mr. Eberole's outline and remarks  
this evening. Discussion by the men  
present will be the feature.

Tonight's session will be held in  
Cooke hall, the Y. M. C. A. assembly  
room, and is open to all men. The  
session will begin at 6:45 o'clock and  
will last for one hour.

New rules regulating the issuance  
of Hawaiian birth certificates go into  
effect today. Wade Warren Thayer,  
secretary of the territory, has a num-  
ber of the new forms on hand and is  
ready to issue them. Copies of the  
new rules in three languages have  
been printed and are being distrib-  
uted throughout the islands. Copies  
may be obtained by those interested  
in the secretary's office in the capitol.

**JAMES W. JUMP****LEAVES TODAY****ON HILL LINER**

Noted Sportsman Who Has  
Made Hawaii His Home Will  
Boost Game Fishing Here

"When James W. Jump leaves Ha-  
waii we will lose one of our best  
boosters," said A. P. Taylor of the  
Promotion Committee today. "When  
he goes we will all miss him, as he  
has done more for the game fishing  
industry in a short space of time than  
many other men have accomplished  
in years."

"He will go to the mainland only to  
help, and as for boosting, the people  
on the mainland will quickly learn  
that Hawaii is the fisherman's para-  
dise. Mr. Jump is a dyed-in-the-wool  
member of the 'Come-Back Club,' and  
he will be here in November again."

When seen today Mr. Jump stated  
that he would surely return in No-  
vember. "I'll be back, and when I do  
come here next fall I will bring my  
fishing boat with me, and I'm going  
to make a big effort to bring a score  
of fishermen here to show them that  
Hawaii has the best fishing in the  
world," he added.

"The people on the mainland will  
soon realize that Hawaii is the one  
place where they can enjoy life and  
at the same time land the big fish.  
I am only going away on a little va-  
cation to tell the fishermen around  
Catalina what they have missed this  
winter," he concluded.

James W. Jump came here some  
months ago from Los Angeles to re-  
main a week or so. He has been  
here ever since, and has practically  
decided to make this his winter home.  
He has been successful here, and has  
helped much in improving the fishing  
conditions. He is a member of the  
tuna club, and a strong booster for  
Hawaii and Hawaiian game fishing.

Mr. Jump received a cable late this  
afternoon that his fishing boat, the  
"Sea Scout," had been smashed on  
the rocks near Catalina. The cable  
did not state the exact damage, and

**JAPANESE ASSOCIATION****WILL PROTEST AGAINST****BURNETT'S HOUSE BILL**

Members of the Japanese Associa-  
tion of Hawaii will send a memorial  
to President Wilson asking that he  
use his influence in defeating the  
Burnett immigration bill now pending  
in Congress. Dr. M. Negoro has called  
a special mass meeting of members  
of the association for Wednesday even-

ing at 7:30 o'clock at the Nuuanu  
Japanese church.

The Japanese Association of Hawaii  
has been strongly opposed to the pas-  
sage of the bill, and every effort will  
be made to protest against it. All of  
the memorial passed in the coming  
meeting will be forwarded to Presi-  
dent Wilson at once.

Further hearing of the case of Man-  
uel Goldwater against the board of  
dental examiners was to be had in Cir-  
cuit Judge Ashford's court this after-  
noon. By mandamus Goldwater is  
seeking to force the board to give him  
a license to practise dental surgery  
in the territory.
